PROPOSED AMENDMENT AND AGENDA FOR TELEPHONIC INTERVIEW

Sir:

In advance of the telephonic interview scheduled for Wednesday, February 11, 2009 at 2 pm, please review the agenda outlined below and the proposed amendment.

Applicant's attorney of record would like to discuss the following:

- the proposed modification of the Chan reference to provide "linear non-pivotal movement," as recited in claims
- the broadcast of audio segments associated with images in response to selecting frames to be mechanically positioned out of the image display housing, as recited in claims
- the broadcast of audio segments associated with front or back images in response to selecting frames and activating first or second play buttons, as recited in amended claims
